COMMENTS: Michael J. Nelson, report preparer & director of accounting for AgriPAC request a waiver and states the following: He had review and approved the report on 2/3/2021 and the accountant failed to submit the report. Our building was closed Monday, 2/15/2021, however, he went in late Wednesday morning and discovered the NOD dated 2/12/2021. He immediately called the accountant at home and she submitted the report. Hope you will take this oversight, the delay in receiving the notice due to the weekend and inclement weather as well as there were no payment to any candidates on this report into consideration in waving the late fees.

RE: AGRIPAC

Late Fee Assessment for January 2021 Monthly

We would like to request a waiver of the late fee for the January 2021 campaign finance report. I had reviewed and approved the report on February 3, 2021 and the accountant failed to submit the report. Our building was closed Monday, February 15 thru Wednesday February 17; however I went in late Wednesday morning and discovered the Notice of Delinquency dated February 12, 2021. I immediately called the accountant at home and she submitted the report. I hope you will take this oversight, the delay in receiving the notice due to the weekend and inclement weather as well as there were no payments to any candidates on this report into consideration in waiving any late fees.

Thank you,

Michael J. Nelson
